6U Division Rule Exceptions

The McHenry Pigtail Softball League has adopted to follow the rules of the IHSA (Illinois High School Association) with the following exceptions:

Pitching:

1. Coaches will pitch to their own players.
2. There are no ball or strike calls. No strike zone, therefore no strikeouts or walks.
3. Two (2) players will be used at the pitcher's position.

Batting:

1. Full roster batting shall be used and kept for the entire game. The team at bat will bat until they receive 3 outs in an inning or have batted through their line up. The maximum number of batters allowed in each $\frac{1}{2}$ inning will be once through the line up or to a number equal to the team having the greater number of players.
2. Any batter injured during their turn at bat and can't continue playing, will be replaced for the rest of her turn at bat by the player who made the last batted out. If there are no outs made the last batter in the order will be used.
3. Players will receive 5 pitches during their turn at bat. If they foul off the 5th pitch they will continue to bat until they either miss the pitch or get a hit. The balls will be collected after each batter's at bat and returned to the coach pitching. If the batter does not hit the ball in play by the 5th pitch, the coach shall simply declare the batter out but the strike out will not count as one of the 3 outs in the half inning.
4. On deck batters need to be behind the batter.
5. Unintentional thrown bats will result in an initial warning being given to each team. Subsequent unintentional thrown bats will result in a dead ball out. Intentionally thrown bats are considered unsportsmanlike behavior and may result in ejection.
6. Protective headwear that includes facemask must be worn by all batters on the bases and in the on-deck circle.

Base Running:

1. The bases will be at 60 feet.
2. Base runners may advance only after the ball is hit by the batter and the continuing play on the ball. No stealing, no lead-offs, and no running on the pitch.
3. You may use a courtesy runner if the batter reaches a base and is injured. The new runner will be the player to have made the last batted out. If there are no outs, the runner will be the last player in the batting order. Also, when there are 2 outs in an inning YOU MAY use a courtesy runner for your catcher as described above. This is to allow time for her to get the catching gear on.
4. There will be no advancing on the bases once the ball has returned to the infield.

Defense:

1. There is no infield fly rule in effect in the 6U Division.
2. Managers may substitute freely as long as each player plays at least 3 defensive innings.
3. On defense a team will field 2 players at the pitcher's position, 4 outfielders, and a short center fielder for a total of 12 players. The short center must be positioned behind 2nd base until the ball is batted.
4. On defense 1 or 2 coaches may be in the field to talk to but not physically assist their players.
